

# SPANISH COURSE

## CONSOLIDATION LEVEL

### CEFR Level A2

10 sessions of 1.5  
hours per semester

- Prerequisites: Have completed level A1 or have studied Spanish before.

#### **General objectives:**

- Consolidate the basics of oral and written expression
- Consolidate basic vocabulary and work on advanced vocabulary to become independent users;
- Consolidate the basics of Spanish grammar and work on more advanced structures.

#### **Learning objectives:**

- Review Spanish conjugation and prepositions, and introduce students to more advanced structures.
- Consolidate spelling.
- Learn to express opinions and needs, and recount past experiences.
- Work on advanced vocabulary (vocabulary useful for describing images and analysing a message, justifying one's point of view, etc.).
- Be able to understand an original video document.

#### **Teaching methods:**

The course aims to work on several language skills in each session, with a particular focus on CO through short films and EO through improvisation exercises.

#### **Teaching materials:**

Students will receive a brochure prepared by the teacher.

#### **Level assessment:**

The four skills (CO, EO, CE, EE) will be assessed.
